Assessments

Practical assessments are carried out continuously during the course. There is no written paper at the end of this training. All Delegates are treated as individuals, in line with our Equality & Diversity Policy.

Appeals Process

Should a Learner be dissatisfied with the outcome of any of their assessments, they have the right to appeal the decision. This process is detailed on the reverse of the Referral Letter issued and a full discussion is guaranteed.

Complaints Policy

MCG Training consider all complaints to be an opportunity to improve our service and will treat each one with positivity and respect.

Please contact us for a copy of the Complaints Policy and Procedure.

Core Values - Quality | Service | Integrity | Communication

Purpose - To teach people how to manage an out-of-hospital medical emergency, prevent injury and promote health and wellbeing, both at work and at home.

Mission Statement – To help organisations build and maintain a positive safety culture and control their own health, safety and wellbeing management systems.
